Re: Application for Acceptance into the TRF Program
Dear Applicant,

Please complete this form and return it to us at the address listed on the form, together with a recent photograph(s) of your horse _____. No application will be considered if the entire application is not completed and returned with a *copy* of the original Jockey Club papers, current negative Coggins and proof of a race record.

The TRF is totally dependent upon donations. Therefore, transportation of the horse to the TRF facility must be the responsibility of the applicant except in unusually difficult circumstances or if the TRF is able to arrange donated transportation by a commercial or private horse shipper.

Protocol for Retirement of Thoroughbred Racehorses with the TRF
(*This protocol is meant to serve as a guideline to the Acceptance Committee when deciding to accept a horse to the TRF.*)

1. Horses at the racetrack are given first priority.
2. The applicant has agreed to give an annual tax deductible donation to the TRF (suggested \$5.00 per day) for the ongoing care of the horse, or a significant donation to sponsor the horse.
3. Horses should be pasture sound.
4. Horses must be gelded.
5. Except in unusual circumstances former racehorses, now sport-horses, are only accepted if they can go directly to an adoptive home without spending time at a TRF farm.
6. Broodmares are only considered if they have a racing record and the owner shows financial reasons why the broodmare cannot live out her life on the breeding farm.

We look forward to receiving your completed application including copy of a current negative Coggins, copy of the original Jockey Club papers, race record, and photos of your horse. This information is required before your horse will be reviewed for acceptance.

Sincerely,

Rob Hinkle
CEO, Thoroughbred Retirement Foundation
